## About Harkel

Harkel has been redefining the workplace for more than 25 years with custom office solutions that meet clients' evolving business requirements. Our products are designed to serve the needs of people at work. Harkel's extensive product portfolio encompasses several lines of desking systems, furniture, seating, and storage. Harkel is more than office furniture. We provide office solutions to increase productivity and give you a competitive edge in today's challenging business environment.

Harkel's design professionals use Computer Aided Design (CAD) Services to assist you in redesigning your workspace. We understand the basis of office space and its functions—deskwork, reception, meetings, archives,

culture, and organizational structure. As your design partner, we can assist you from initial concept through to final installation and afterwards. We specialize in catering to the needs of entrepreneurs, medium sized businesses, large executive suites, reception, entire floor layouts and commercial real estate development solutions.

Harkel's ability to exceed customer satisfaction has earned it the trust of many long-term client relationships. Visit our showroom or call us for a free consultation to learn more about how we can make a difference for you.

## 1 FOUNDATIONS

## 2 FOUNDATIONS

Today's private office is less formal, more functional. The Foundations collection draws upon a contemporary minimal aesthetic, paring down furniture structure and surface to reveal an architecture of simple horizontal and vertical planar elements.

9' x 8.5' U Shape Station with Storage Towers and Hutch

**\$9,999**

## 1 PRINCETON

Princeton is about doing more with less space and less budget. How about a really great place to work in less than 50 square feet? And new ways of doing things like a bench that doubles as file storage. Rolling glass doors that reward the eye and the touch.
